THE

FRANKFORD HIGH SCHOOL

JUNE RECORD

CLASS OF 1951

PHILA., PA.

FOREWORD

For most of us June 22 will bring to an end three of the happiest and most fruitful years of our lives. We have been fortunate, all of us, to have spent these three years at Frankford High School.

To the faculty of our Alma Mater we extend our sincere appreciation for the knowledge they have given to us and their efforts to prepare us for the future. This has been no too easy job, for at present the future appears insecure and dark. Let us remember in the months and years to come the advice we have received, and let us practice it wholeheartedly.

To the students remaining we wish luck and happiness, and we hope the examples we have set have been only those of a beneficial nature.

For ourselves we have prepared this book, our Class Record, which we shall always cherish, for it holds for us all our fondest memories.

DEDICATION

The graduating class of June '51 is indeed proud to dedicate our Record Book to Miss Sylvia E. Astle who came to Frankford from England on the Teachers' Exchange Plan.

Miss Astle has given us a true picture of England and of English schools and students, and she has charmed all of us with her fresh, wholesome spirit and her ability to become really one of us. In the short time she has been at Frankford, Miss Astle has organized one of the largest and most popular of school clubs, the Rolling Pioneers.

None of us will forget our senior prom, our class trip, or the many other activities in which Miss Astle played so prominent a part; and we appreciate her willingness to attend club meetings, to speak in assembly, and at the Fathers' Association meetings.

Miss Astle took her arts degree at the University of London and taught at the Collegiate School for Girls in Blackpool, England. We regret that she can be with us for only one year and hope she has enjoyed Frankford as much as we have enjoyed her.

"Who is Sylvia? What is she?
That all our swains commend her?"
—Shakespeare

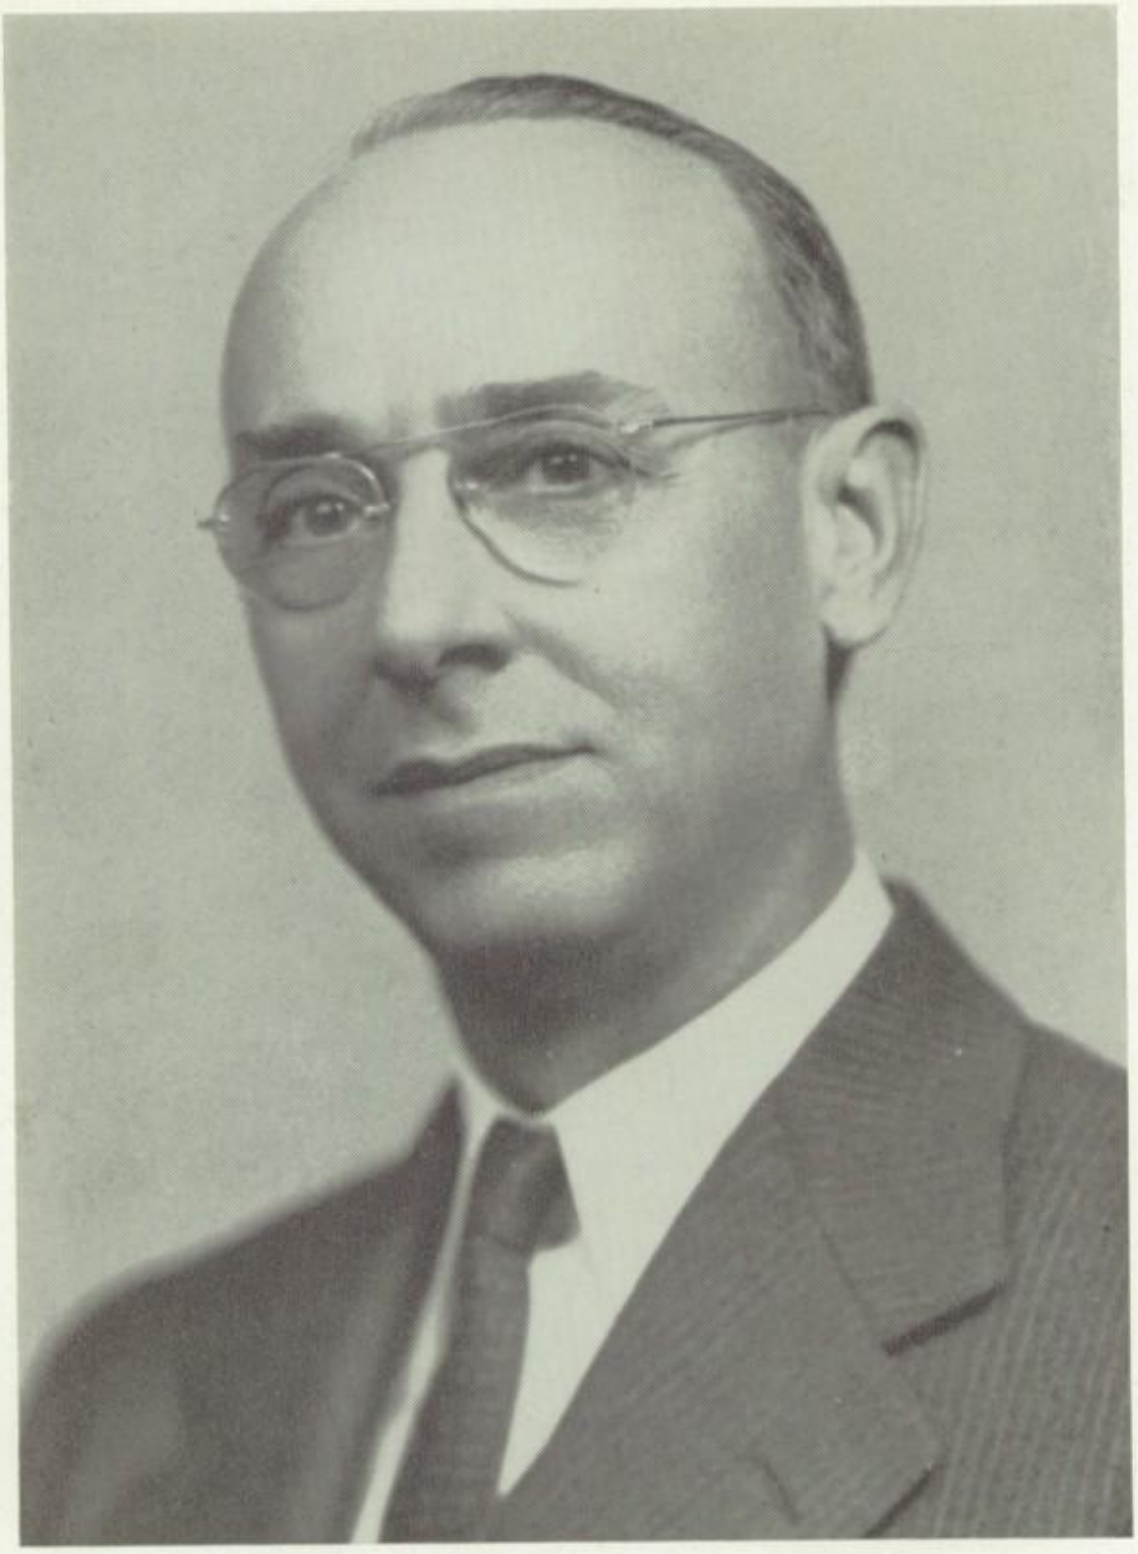
MISS SYLVIA ASTLE



MR. MARTIN FETHEROLF

1887-1951

A scholar, a teacher, a gallant soldier, a good Christian, a loyal friend, a dependable worker, a good leader and yet willing to follow—all these Martin Fetherolf was, and more. To know him was to love him, and we loved him. We loved him for his kindness, for his sincerity, for his gentle humor, for his willingness, for his devotion to our school. He gave himself unstintingly in the classroom, in the office, and on the athletic field, not in the hope of glory, or publicity, or of reward, but just to serve.

He was born on a farm in Lehigh County and attended the public schools there. In succession, though not in continuity, he attended Allentown Preparatory School, Muhlenberg College, where he played on a successful football team, and Lehigh University.

Martin Fetherolf taught in the Lehigh County elementary schools, at Pottstown High, at Allentown High, and at Northeast High in Philadelphia, before coming to our school in September of 1927. In September of 1930, when the Frankford High Annex was opened at the Allen Elementary School, he was put in charge, and during the ten years of its existence he managed it well.

In September of 1931 he was made assistant to the principal, and when the position of vice-Principal was created, he was appointed to that post. In that capacity he has been in charge of guidance for returned veterans, the sale of P.T.C. tokens, study halls, and the forthcoming evaluation of our school. The evening before he was stricken, he was elected president of the Officials' Club of Philadelphia, the organization of teachers who officiate at all high school athletic events.

His hand, often unseen, was felt in many places. The niche that his death left vacant will be hard to fill.

Au Revoir . . .

MR. JOSEPH GOTTSCHALK

Mr. Joseph M. Gottschalk, one of the oldest and most revered members of Frankford's faculty, will retire from his teaching career at the close of this semester.

Mr. Gottschalk is a graduate of Central High School and received his B.A. degree at the University of Pennsylvania. In subsequent years he attended the graduate school of the University of Virginia, and his free summers he spent in extensive travels abroad.

Although he taught originally at two elementary schools, Mr. Gottschalk came to Frankford when the school was still an annex of Central High School. Students of the past as well as of the present will always remember Mr. Gottschalk as an inspiring history teacher and an active member of the school faculty.

Two clubs which once flourished under Mr. Gottschalk's direction were Ye Spooks and the Clionian Club. Both were at one time an integral part of Frankford's extracurricular activities.

To this capable and sincere teacher who gave so much to so many students throughout all the years of his busy career, we say Au Revoir.

MR. CLARENCE HAMBLETON

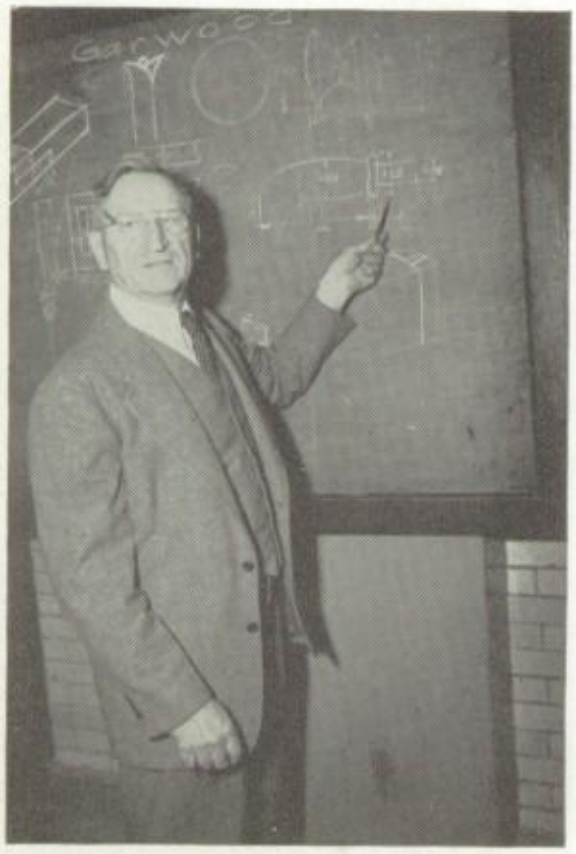
The boys and girls of the old Sock and Buskin will always be indebted to Mr. Clarence Hambleton for the excellent dramatic coaching they received while Mr. Hambleton was the club coach. Neither will the many audiences, over a period of fourteen years, forget the superior production of the twenty-two plays put on by Mr. Hambleton's dramatic club.

Mr. Hambleton graduated from the old School of Pedagogy in 1905, and after earning his A.B. degree from Temple University he embarked upon his teaching career.

Mr. Hambleton taught at various Philadelphia Schools: the Navy Yard Apprentice School, the Philadelphia Trade School, and Central High School. In 1935 Mr. Hambleton arrived at Frankford as a member of the English department, and it is here at Frankford that this grand teacher spent his last sixteen years of teaching.

It is with sadness that Frankford, students and faculty alike, bids farewell to this distinguished teacher.

C. A. Hambleton



MR. CLARENCE GARWOOD

Mr. Clarence L. Garwood came to Frankford High School as a member of the school faculty when it was still young. It is with sadness that students and faculty bid him adieu at the close of the school year.

Mr. Garwood received his early education at the excellent Williamson Trade School. Before coming to Frankford Mr. Garwood worked in different industries, did undergraduate work at Temple University, and taught in an elementary school. Mr. Garwood has long been a member of the Industrial and Fine Arts department at Frankford, and he has, because of his warmth and interest in his students, established a position which other teachers might find difficult to fill.

Mr. Garwood has also taken active participation in boys' sports; the track team, under his excellent coaching, won the championship. Outside interests also consume much of his time.

To Mr. Garwood we say thank you, and add that we shall remember him in the years to come.

John W Hitner

Life asks each of us not how much we know, but what we can do and what we will do. Through your years of schooling you have been taught many facts and skills. These are not an end in themselves but a means to other and more noble ends. Some of this knowledge and skill will undoubtedly contribute to your vocation in life; everything you have learned should strengthen your spiritual and cultural fibres. This latter aim is the one that I would emphasize for you and have you cherish as your goal.

No horse produces results until he is harnessed. The waters of a great river do not produce electricity until they are channeled. Steam does not drive anything until it is confined. No life ever becomes good or great until it is dedicated and disciplined. Plato taught that a person's life must, above all, be a beautiful creation. Your schooling has been directed to the daily remaking of yourself so that you may know how to live rightly.

As you now commence to meet the larger challenge of life, may you ever be inspired by high ideals. Happiness and success will be yours.

Years ago John Ruskin wrote: "Education does not mean teaching people to know what they do not know; it means teaching them to behave as they do not behave."

ACTIVITIES

ATHLETIC ASSOCIATION

The Athletic Association, under the able supervision of Mr. S. Hunter Kurtz, is one of the hardest working organizations in Frankford High School. Without the selling of the A.A. books that are placed on sale each fall, the school would not have the splendid athletic opportunity it now affords to both boys and girls.

Through the sale of these A.A. books funds are secured to support our teams. These books provide admission to all of the sports for the school year. Every student buying one of these books cooperates in furthering sports in Frankford. The returns from the sale of books go into the A.A. treasury. Many sports don't support themselves by the charge of admission to games; and therefore the treasury must pay for uniforms, officials' fees, and the transportation for the team members to "away" games. The Athletic Asscciation buys nearly all the equipment needed for the various sports activities. It also made a donation that was used to help in purchasing the band uniforms.

Each term every class elects a representative whose chief duty it is to sell A.A. books. A.A. books and tickets to games may also be bought at the A.A. booth during lunch periods and before school.

The Athletic Association, which has been in existence for over thirty years, has for its officers this year Frank Baurle, president; Rose Lill, vice-president; and A.A. council consisting of Frank Foedisch, Warren Mann, Ann High, and Janet Warren.

STUDENT BOARD

This term the student board, under its president, Nancy Nevin, granted charters to two new clubs. These clubs were the Rolling Pioneers, a group which is open to all students interested in roller skating; and the Chemistry Club, which is for the benefit of chemistry enthusiasts.

The semi-annual dance given by this term's Board was the "Shower Shuffle" presented Friday, April 20. This was very successful, and charms were given to all girls who attended.

For the first time a decorating committee was chosen to trim the lunchrooms on various holidays.

Two musical instruments were purchased for the use of students who are interested in learning how to play them.

Money was appropriated for flowers for the funerals of Mr. Fetherolf, former vice-principal, and Miss Bacon, former chemistry teacher. A fund was started to purchase a memorial for Mr. Fetherolf.

Various active committees of the Board include the receipt, dance, attendance, election, safety and transportation, and Father's Association.

There is now a new method of nominating candidates for office in Student Board. Under this new system a list of senior students who have been active in Student Government and who have no failures is submitted to the student body. The four highest nominees for president and four vice-presidents are then put up for election.

Most of you have seen the new school flag in the auditorium. This was also purchased by the Student Board.

The Board meets every Wednesday with a representative from every book in the school. Dues are twenty-five cents per term.

Officers of the Board this term include president, Nancy Nevin; vice-president, Bob Schilling; secretary, Adaline Hanley; treasurer, Jean Schmidt; 12th grade representative, Etna Edwards; 11th Grade representative, Patricia Irons; 10th grade representative, Shirley Rhodes.

The Student Board is under the able sponsorship of Mr. George Ebbecke and Mr. Arthur Lowe.

THANATOPSIS CLUB

The Silver Dollar Dance, the "Model Pioneer" award, Freshman Day, and countless other activities make Thanatopsis one of the best known clubs of the school.

Oragnized in 1946, Thanatopsis limits its membership to thirty students, eqaully divided between the sexes, who are chosen for their extra-curricular activities, personality, and willingness to serve Frankford and its students.

Faculty advisor: E. Orrell Crap; President, Ronald Markloff; Vice-President, Judy Surrick; Corresponding Secretary, Marilyn Zaiser; Recording Secretary, Ginny Kees.

SCRIBES CLUB

The main function of the Scribes Club is to provide for High Way staff writers a group in which discussions can be had and criticisms made. The Scribes Club is sponsored very capably by Mr. Charles F. Troxell. Meetings take place the second and fourth Tuesdays of each month, usually at the home of a member.

Members are elected and accepted only if they have successfully written articles which have been published.

Several members attended the Columbia Scholastic Press Convention this year. Because of the sudden illness of Mr. Troxell, they were accompanied by Miss Marion McMaster. The High Way again won first place in its division.

Present officers are Evelyn Elias, president; Marlyn McNeal, recording secretary; Doris Bilotta, corresponding secretary; and Shirley McKay, treasurer.

THIRTEEN CLUB

Claiming distinction as the oldest honor elective organization at Frankford, the Thirteen Club consists of thirteen boys of the graduating class. Participation in athletics or extracurricular activities plus at least a passing average are requirements for club membership.

In keeping with past years, the Thirteen Club again sponsored a variety show which was a great success. Mr. Charles F. Troxell and Mr. William Clausen are the two faculty advisors.

Officers for this term were Bill Smith, president; and Neil Minkoff, secretary. Other members were Bill Ward, Lamont Guthrie, Howard Graham, Ron Markloff, Bill Benz, Dick Thatcher, Dick Dene, Charles Russo, Dick O'Neil, Charles Samph, and Alfred Grisick.

SENIOR TWELVE

Scholarship, extra-curricular activities, and personality are the basis for membership into the Senior Twelve.

The meetings are alternately social and cultural.

Last April the club sponsored a dance which, with its Dutch theme, was called the "Tulip Trot." Proceeds from the dance went towards gifts for the school and commencement awards.

Officers are Marilyn Zaiser, president; Patricia Henry, secretary; Shirley McKay, treasurer; Marilyn Herrmann, chairman of cultural committee; Margaret Howland, chairman of social committee; and Nancy Nevin, chairman of ways and means.

Other members include Betty Kiler, June Sandom, Marjorie Lehr, Mary Rogers, Eloise Imrie, and Evelyn Elias.

P. Wieckowski

CLICK CLUB

The Click Club is open to anyone interested in any phase of photography.

The activities include field trips, darkroom work, and the study of various picture taking techniques. Members have also seen lectures distributed by the Eastman Kodak Company. Some of these lectures were in the form of colored slides.

The Club meets every other Tuesday in room 300. It is under the sponsorship of Mr. Philip Wieckowski.

This term's members include Bob Platt, Bob Mousley, Don Shields, Ellben Armour, Carol Allison, Joan Lightbown, Nancy Middleburg.

CLEF CLUB

The Clef Club is the oldest club in Frankford. It consists of the best trained musical talent in the school. At present the club has eighteen members. The club is under the capable supervision of Mr. Newmeyer. The meetings are held approximately the third Monday of each month at the various members' houses. The meetings start with a business meeting, followed by entertainment furnished by the club members. New members must be auditioned and then voted upon for entrance into the club.

DANAIDES CLUB

The name "Danaides" was derived from the Greek myth of King Danaidus and his fifty daughters.

The club is under the sponsorship of Mrs. Elizabeth Stockton.

At the conclusion of each term the graduating girls select five girls, who later choose from one to twenty members. This term officers are president, Audrey Veith; vice-president, Doris Pendlebury; recording secretary, Florence Olsky; treasurer, Rose Lill; corresponding secretary, Ann High.

Other members are Charlotte Abel, Lynn Copeland, Marianne Lynaugh, Marilyn Zaiser, and Barbara Reihm.

ORGAN CLUB

The members of the Organ Club are interested in both playing and hearing the organ. They meet weekly in the auditorium with Mr. Newmeyer, the sponsor and instructor of the group. The club is divided into a beginners' group and a group of those students who have already had some training on the organ. Each member is assigned a weekly practice period. Some members of the second group play each morning for assembly. In addition to regular meetings the club takes trips to see other organs and to hear organ concerts and recitals.

LOCKER COMMITTEE

The Locker Committee is under the able leadership of Mr. Robert Twiggs, who came to Frankford recently.

The functions of the committee are to aid in the registration of freshmen and the dismissal of seniors, to keep the locks and lockers in order, and to see that the locker regulations are kept by each student.

Members of the Locker Committee who are graduating this term are Ginny Kees, Janice Coulter, Marilyn Zaiser, and Bob Gottshalk.

MEDICAL CLUB

The Medical Club, sponsored by Mrs. Madeline C. Burns, provides students interested in medicine with an opportunity to visit various hospitals. These trips enable the members to see the work carried on from the laboratories to the operating rooms. The experience gained from these visits is worthwhile and valuable.

The club meets the second Monday of each month and is open to all students interested in medicine.

Officers for the term are Marianne Lynaugh, president; Deborah Grimes, vice-president; June Sandom, secretary.

BANKING COMMITTEE

Nearly everyone is acquainted with the school bank, which is located on the right side of the school in the basement.

Twenty-one students, most of whom are office practice students, take care of the banking every Monday during lunch periods.

Dr. Ewart H. Parlee is in charge of this Banking Committee. There are usually two meetings a year: one at the beginning of the term to get the students acquainted with what they have to do, and another meeting sometime during the term.

The members of the committee act as regular tellers in a bank, doing everything but totaling the money.

DANCE CLUB

This club is composed of approximately twelve girls who are interested in dancing. The group consists of both beginners and experienced girls.

They meet on Friday afternoons under the direction of Miss Janet Lever. The club performs a variety of dances for Fathers' Association meetings. The club presented a novelty shoe shine dance for the Frolics. Individual members have danced at the Art Museum in connection with special exhibits. Ballet, soft shoe, tap, and square dancing are taught to the girls.

PHYSICAL SCIENCE CLUB

The Physical Science Club is a newly organized club. Membership is open to all students interested in science. The club meets every Monday at 2:30. Three periods are spent working on individual projects, and one period is spent visiting places of scientific interest.

The officers are Dale Wragg, president; Etna Edwards, vice-president; Jane Baxter, secretary-treasurer. The club is sponsored by Mr. Barrish. All students are cordially invited to join.

LATIN CLUB

The Latin Club is an organization which has for its purpose the stimulation of greater interest in classical things. The club is a chapter of the Junior Classical League, which pledges itself to "pass on the torch of classical civilization." This term members of the club visited the Fels Planetarium to see "Classical Mythology in the Stars" in connection with Latin Week.

The sponsor of the club is Miss Wilson and the officers are Mary Rogers, first consul; Margaret Howland, second consul; and Eloise Imrie, scribe.

ROLLING PIONEERS

The idea of the "Rolling Pioneers," Frankford's new skating club, originated with Caromay Robinson, who is now the club's president.

The club meets every Monday afternoon from three to five p.m. at the Concord Roller Skating Rink. The sponsor of the "Rolling Pioneers" is Miss Sylvia Astle, an exchange teacher from England.

There are now approximately seventy-five members now in the club. A book containing ten admissions to the rink costs $2.00.

Officers are Caromay Robinson, president; Juno Feldman, vice-pesident; Marita Smith, treasurer and Jean Frizell, secretary.

STAGE CREW

An organization which is more important and necessary than most of us realize is the Stage Crew, a volunteer group headed by Mr. Orrell Crap.

These boys are always behind stage when any function is being presented on stage, and always are present to regulate the microphone and lighting effects during assembly.

The members of the Stage Crew for this semester are Dick Thatcher, Russ Eltonhead, Jack Czarnecki, and Ralph Twelves.

THE BIOLOGY CLUB

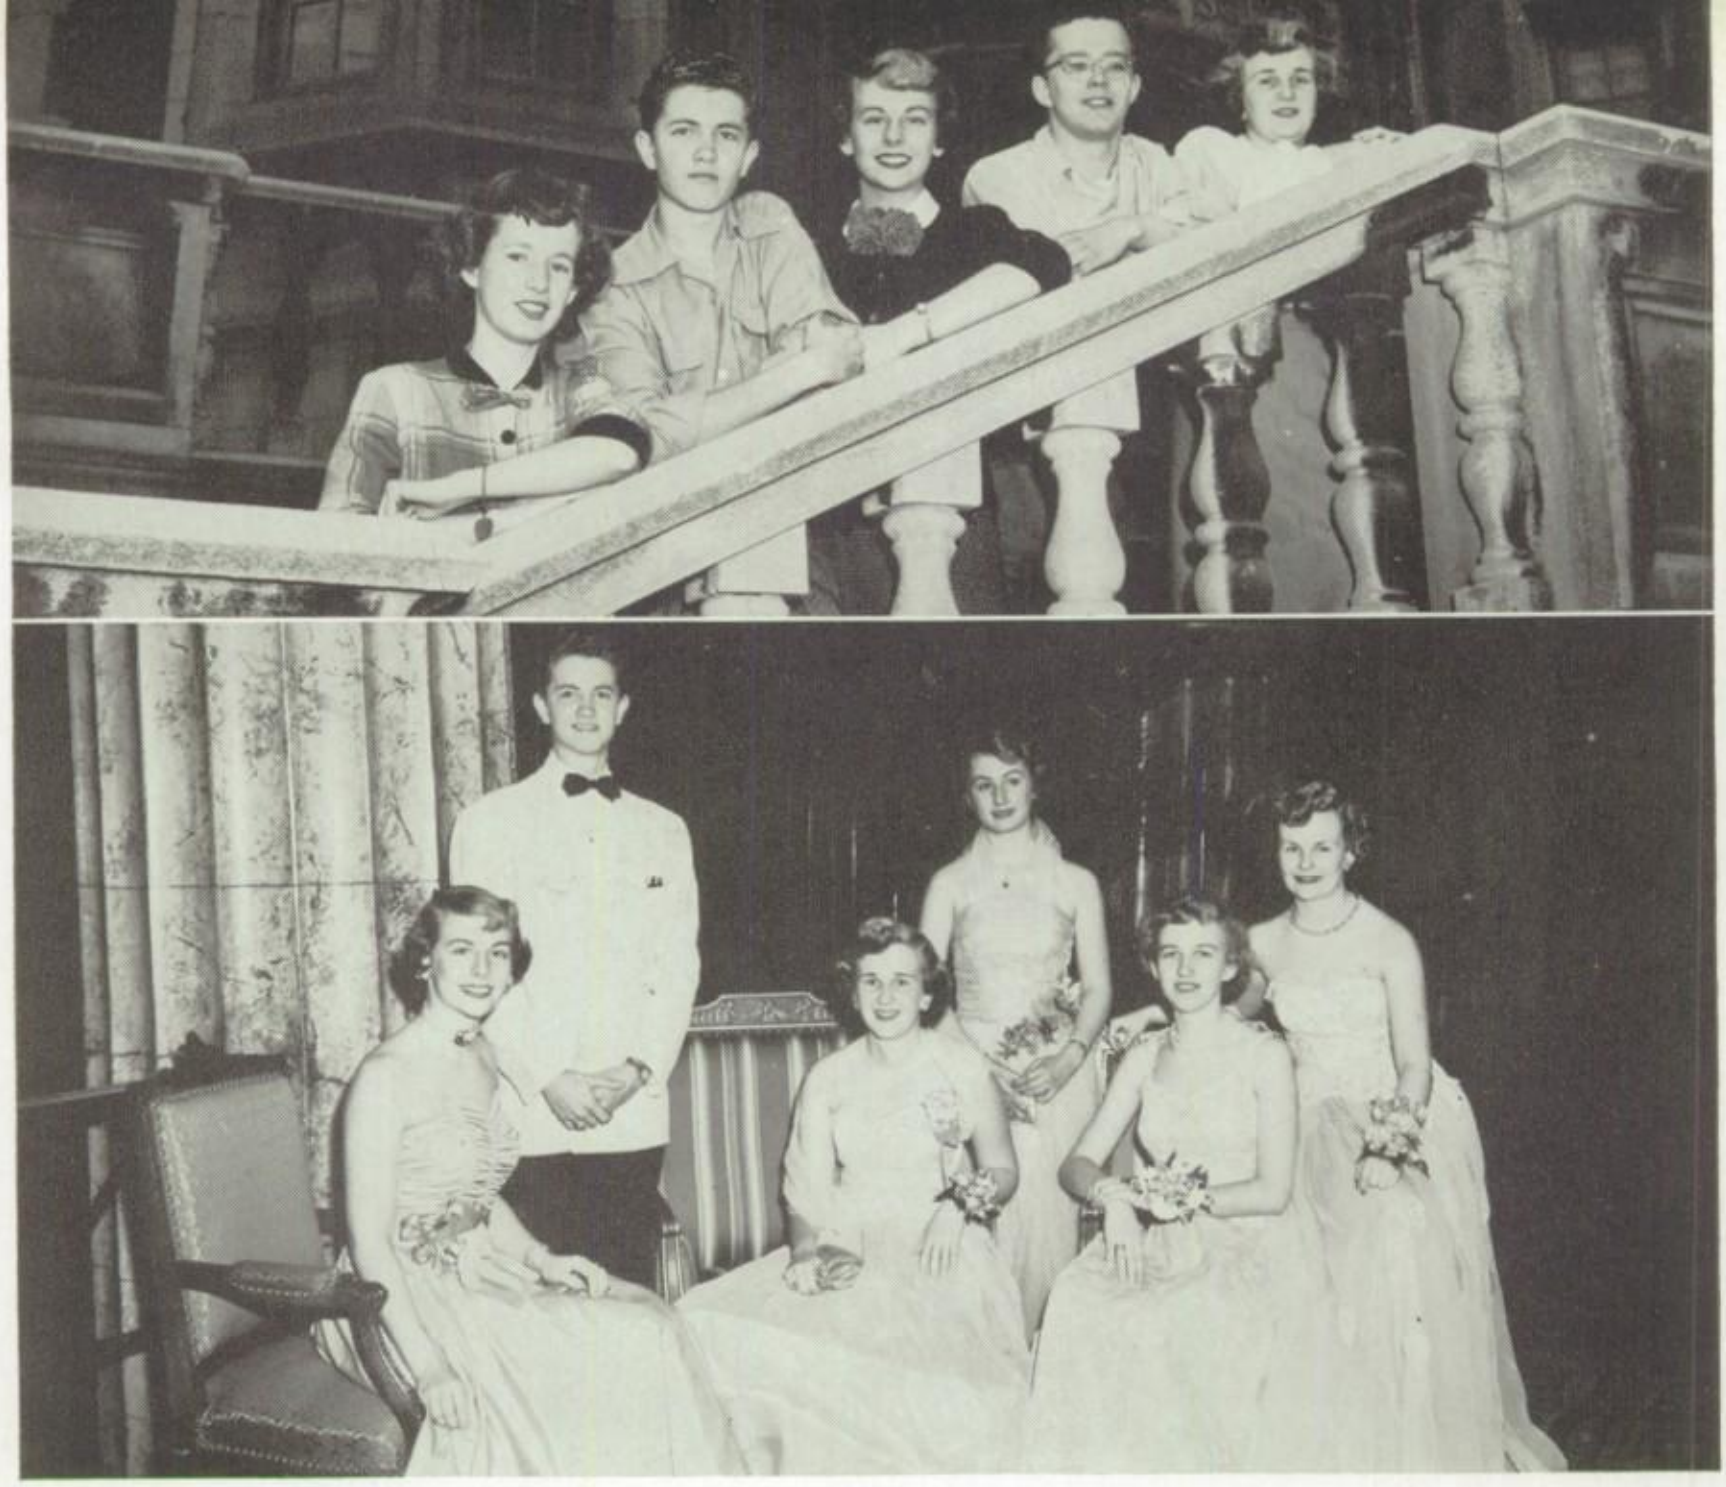
In April, 1949, the Biology Club received its charter. This club is open to students who enjoy exploring any phase of biology. The club meets every other Friday in room 303. Excursions are made to find specimens along the Pennypack. The term's project was an incubator which was entered in the Science Fair.

The Biology Club is under the sponsorship of the biology teachers of the faculty. The officers for the term are Sara Slater, president; Al Roemhild, vice-president; and Richard Denston, secretary.

FUTURE TEACHERS

The Louis P. Hoyer Future Teachers of America Club, sponsored by Mrs. Madeline Burns, is composed of students interested in teaching as a career. The club aims to guide the pupil in selecting the branch of teaching which he prefers by means of short talks on the various phases of teaching and by actual classroom observation in other schools in the area. Aid is also given the student in choosing a college which is best fitted to satisfy the needs of the individual. The club has been in existence only a year and a half and is a member of a national organization.

The present officers are president, Patricia Henry; vice-president, Nancy Nevin; secretary, Marilyn Herrmann; and treasurer, Sara Slater.



12A TRIP COMMITTEE

The senior trip is one event which is eagerly anticipated by both 12A and 12B students. This year, as in past years, it was an excursion up the Hudson River.

We shall not soon forget the train ride to Jersey City and the fun we had enroute; nor the boat trip on the river that carried us past the Palisades and up into the mountains. There was the excitement of "Shore Leave" at Indian Point and the beauty of the park. Everything combined to make our senior trip one of the highlights of the term, and its success was easily measured by our keen enjoyment.

Since the class of January '52 participated in the trip, the sale of the tickets was also the duty of several of its members. The 12A's who so willingly served on the committee were Ronnie Bader, Connie Dutcher, Connie Howland, Kathleen McCaw, Barbara Scholes, and Joyce Souder.

12A DANCE COMMITTEE

Always anxiously awaited, the senior prom is perhaps the climax of the social season at Frankford. This term, as usual, the Crystal Room of the Benjamin Franklin Hotel was the scene of the prom; music was provided by Chuck Gordon and his orchestra; and we all sighed sadly when twelve o'clock finally arrived.

As a remembrance of the evening each girl received a charm with the school emblem mounted on a white background. The Zamsky Studios were represented and photographed those couples who wished an additional remembrance of the evening. As a result of the planning and soliciting of the prom committee, the evening of May 4 was a complete success.

The members of the 12A Dance Committee who co-operated wholeheartedly in making the prom a success were Louise Armstrong, Nancy Fisher, Connie Howland, Claire Love, Robert Schilling, Joyce Souder, and Norma Cale.

SOCK & BUSKIN

Sock and Buskin, the dramatic club of Frankford High School, has been in existence for over thirty years. Dr. Charles R. Nash is its present director.

The name Sock and Buskin is derived from the ancient Greek theater. In that famous theater the actors dressed to fit two types—tragedy and comedy. The tragedians wore the heavy, strapped, buskin or high boot; and the comedians wore the light, slipper-like sock. The club's pin, presented to those participating in two of the club's productions, represents tragedy and comedy. It is a small sterling silver mask with the mouth twisted half up and half down in the traditional Greek grimace.

Some of the club's past productions have been "Life With Father" and the "Frankford Frolics" in 1949. This term's production, the "Frankford Frolics," written by Dr. Nash, depicted the Senior trip up the Hudson River and appeared in May. The club also presented an entertainment for the Fathers' Association and two assembly programs.

"A" PLAY

A traditional part of Senior morning, anticipated by the seniors all term, is the semi-annual "A" Play.

For this term, the co-directors, Margaret Howland and Nancy Nevin, have chosen a one act play entitled "Life O' The Party." The cast, selected by the directors, includes John Seddon, Adeline Hanley, Walter Kissell, Betty Kiler, Arthur Wolsoncraft, Mary Rogers, and Mildred Gordon.

The story, revised slightly by the directors and cast, centers around the efforts of Betty Lou Maxwell to give her first party and to have it acclaimed a success. Wilbur, her younger brother, is asked to help and unknowingly pours his father's sleeping medicine into the punch. This hilarious mishap results in the sudden sleepiness of all the guests. All appears to be ruined, but at the last minute Wilbur saves the party before he too succumbs to the drugged punch.

The result of continuous rehearsal on the part of the directors and the cast was evident in the fine presentation of the "A" Play on our last day at Frankford, Senior Morning.

BAND

The most important activity of the Frankford High School Band is playing at the football games. The football band generally consists of about forty members.

In the spring term the band plays at the Frankford High School Spring Concert. It also plays for the Athletic Assemblies in January and June.

This term the band is under the leadership of Mr. Bogusz, a new teacher at Frankford. At the present time the band consists of sixteen members.

Any persons who play an instrument and are interested in music are invited to join. The band practices on Monday, Wednesday, Thursday, and Friday during the seventh period.

The members of the band who graduate are Thomas Wood, drums; Richard Pinkerton, trumpet; Edward George, trumpet; Lois McConemy, saxophone.

ORCHESTRA

The school orchestra, under the direction of Mr. Edward Boguz, is a very important part of school life at Frankford. The willingness of the boys and girls who play in the orchestra to remain after school for one or more hours on the days that the cast for the Frankford Frolics rehearsed will serve as just one example of the cooperative spirit and interest in music that these boys and girls possess, and that they so willingly display.

This term, the orchestra has been under the baton of Mr. Boguz, who has in some instances turned the baton over to Ted Kloos who has conducted at several functions. Most noteworthy was the evening of Friday, May 18, when Ted acted as maestro for the Frolics, and scored a great success. This plan has been in practice now for two terms, and members of the orchestra who show interest in conducting, or talent, are permitted to conduct and receive helpful criticism from Mr. Boguz.

The orchestra has also performed at different times in assembly, and at other times members of the orchestra have done solo work for assembly groups.

USHERS' ASSOCIATION

The Ushers' Association, sponsored by Mr. Lynford Williams, consists of a group of approximately thirty girls who donate their time to aid greatly in the success of special programs held during the school year. One of the most important functions at which this group assisted was the Frankford Frolics. Also, they will be present at our graduation.

The girls always present an attractive appearance at these functions. Mr. Williams provides corsages for each usher on all such occasions. The ushers are chosen for their personality and attractiveness. This term the group is presided over by Vicki Purdy.

GIRLS' LEADERS

The members of the Leaders' Club are girls who have done good work in gym activities and have no failures on their reports. Their purpose is two-fold: first, to learn gym aims before they are taught to the other students, so that the leaders may assist teachers in class; second, to take part in advanced activities and to give demonstrations on programs at the invitations of other groups.

Some of the graduating members have taken part in programs for the Fathers' Association and the city-wide Schools on Parade. The club meets every Monday after school in the gymnasium, under the direction of Mrs. Jennie C. Leary.

A CAPPELLA CHOIR

One of the musical organizations of Frankford High School which is both inspiring and enlightening is the A Cappella Choir.

The Choir, under the direction of Mr. Forrest Newmeyer, has performed on various occasions this term. The first performance was for the "A" unit assembly group on March 9. The Choir has also sung at churches in and around the school vicinity. One of the highlights of this term's work has been the participation in the A Cappella Festival which was held at Lincoln High School.

The graduating soloists this term are Marjorie Meyers, Charles Kauffmann, Norma Malpass, and Robert Gottshalk. Other graduating members of the Choir are Carol Stuart, Miriam Frame, Wilberta Tomlinson, Jacqueline Ferguson, Irma Weaver, Dolores Krieg, Johnathan Rowland, Sara Slater, Stella Grobman, Lillian Grossman, and Cecelia Walz.

ORPHEUS CLUB

The Orpheus Club is open to all boys and girls who appreciate and enjoy listening to good music. The new and capable sponsor of the club is Mr. David Luithlen.

The group's monthly meetings and attendance at concerts and operas all contribute toward enriched musical knowledge and enjoyment.

Through the Presser Foundation, many members have attended concerts of the Philadelphia Orchestra. The performance of musically talented members have brightened many an assembly program. Some students traveled as far as Bethlehem to hear the celebrated Bach Choir.

Each term at graduation the Orpheus Club awards a prize to the senior most active in the school and a member of the club.

Club officers are Sara Slater, president; Pat Henry, vice-president; Margie Meyers, secretary; and Constance Inglin, treasurer.

HIGHWAY REPRESENTATIVES

The success of a school newspaper depends greatly upon the number of subscriptions sold during the school semester. This important responsibility of soliciting subscriptions for the Highway rests upon the shoulders of the elected Highway representatives from each advisory.

This term the student body was asked to give full support to the Highway or face the possibility of eliminating the school paper because of a rising deficit. With the wholehearted co-operation of these representatives the business and editorial staffs of the Highway have completed a comparatively successful term financially.

HONOR SOCIETY

The Honor Society, supervised by Mr. George Ebbecke, is an important Frankford club. It is a recognized member of the National Honor Society of America, and its enrollment is limited.

Honor Society students act as tutors to lower and upper class pupils seeking their assistance. The club in this manner functions as a necessary and important club.

Members are chosen for scholarship, leadership, and character. They are selected at the end of each term by the faculty, providing they meet the aforementioned requirements. The club meets twice monthly, on the second and fourth Tuesdays. This past term faculty members have spoken, and members have debated on such pertinent topics as the drafting of eighteen year olds and capital punishment. Dr. Lois Galbraith, of the English Department, discussed the difficulty and hard work that a Ph.D. degree necessitates.

The officers of the society for the past term were Patricia Henry, president; Marilyn Zaiser, vice-president; Barbara Scholz, secretary.

BOWLING CLUB

The girls' bowling club, under the sponsorship of Miss Janet Lever and Mrs Kay Gradick, includes both club and team activities. This club differs from other athletic groups in the respect that the team changes to some degree with each match. The team is made up of the ten highest scorers in the previous week's practice. The season begins in October and ends in March. This year, different from other years, letters will be given to the girls participating in a majority of the matches.

Seniors who were most active in this club were Joan McAllister, Mary Smith, Ruth Benz, Ruth Dolderer, Lorraine Haines, Dorothy Martin, Natalie Prinzing, and Joan Shackleton.

CHEERLEADERS

The cheerleaders of Frankford High for 1950 were Joyce Wagner, Carol Robb, Jackie Hess, Lynn Copeland, Wynne Waltz, Frannie Helbling, Irene McManus, Janet Warren, and Joan Fryling. The captain is Elinore Schaefer; Carolyn Beck and Audrey Wilson are co-captains.

On September 21st last year's cheerleaders were chosen from a group of twenty-five girls. Mr. Crap and Mrs. Stockton, with the help of three girls of last year's group, selected the nine vivacious girls who then officially became our school's cheerleaders. These girls and many others spent endless hours after school learning the cheers. They practiced diligently almost every day during the pre-football season last term. In many instances it was the inspiration provided by the cheerleaders that spurred the football and basketball teams on to victory. These girls are always an essential part of a successful season.

HIGH WAY EDITORIAL STAFF

MR. CHARLES TROXELL

No school would be complete without a school paper; no school paper would be complete without the very necessary editorial staff. We here at Frankford are fortunate in having an excellent school paper, and for the last five years the Frankford High Way has been awarded the Columbia Scholastic Press Association medalist award by Columbia University. The credit for this success belongs to Mr. Charles Troxell the faculty advisor, and the energetic, talented, and hard working editorial staff.

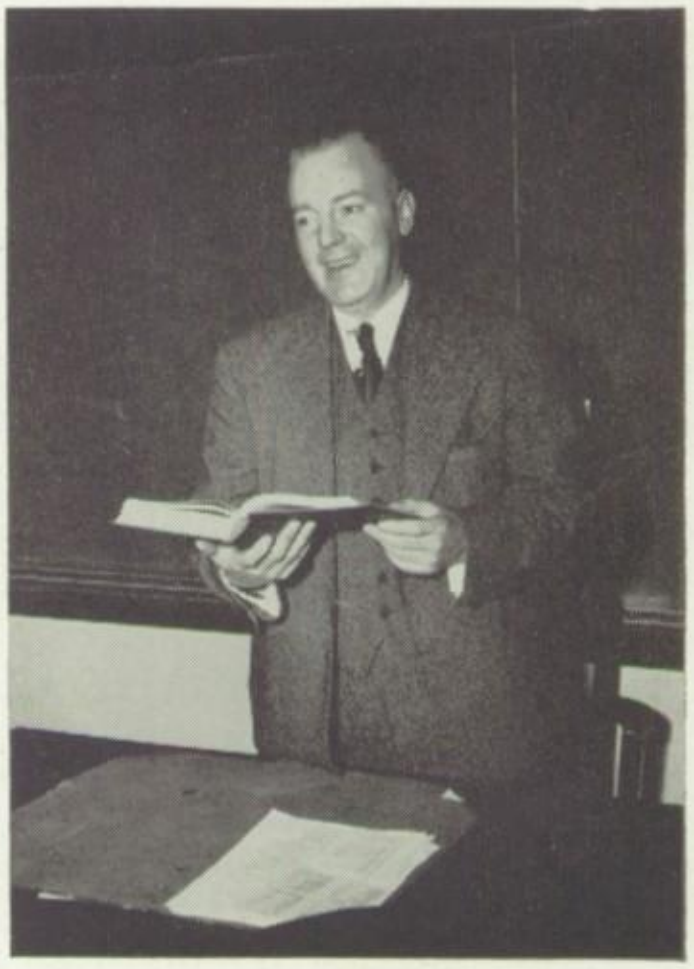
This year differs from preceding years in several ways. The size of the paper has been shortened, and the Olney Printing Company now prints the paper. All the layouts and articles must be in by the second Wednesday before the paper is put on sale. All these changes necessitate more work, and the membrs of the staff have not become lax in their new duties. Truly then, Frankford students are fortunate.

The editors of the High Way for this term are Evelyn Elias, editor-in-chief; Millie Gordon, first page editor; Marilyn Zaiser, second page editor; Shirley McKay, third page editor; John Seddon, fourth page editor.

HIGHWAY SERVICE CLUB

The importance of the relatively new High Way Service Club, sponsored by Mr. John Nevin, is not too well known to Frankford students. However we all know where to head on Friday mornings to buy our school paper, and where to go when we have lost a comb, run out of note book paper or forgotten our white socks for gym—naturally, the school store. Well, the Service Club is respnsible for the functioning of the store, which is a great convenience for Frankford students.

Last term the High Way, our school paper, depended on the school store to cover the debt it suffered. This term, by the combined efforts of the High Way staff, representatives, and service club, the subscription sales of the paper have increased greatly. Really, then, the service club is very important and necessary to student life.



MR. JOHN NEVIN

DANCE COMMITTEE

After months of preparation and anticipation, the night of nights for the seniors arrived, May 4th and the Senior Prom.

Preparation began last year when Dr. Sterner made arrangements with the Benjamin Franklin Hotel to use the beautiful Crystal Ballroom for our prom. Early in this semester the Dance Committee and our Class President chose Chuck Gordon's Orchestra.

Those members of the Committee who sold tickets in each senior book were Charlotte Abel, Lynn Copeland, Marshall Dawsey, Alfred Griseck, Arlene Jones, Marjorie Lehr, Phyllis Mayall, Florence Olsky, David Ritchie, Louis Tursi, and Audrey Wilson. Joyce Cross was chosen as Prom Queen.

The chaperones for the evening were Mr. and Mrs. Hitner, and Dr. and Mrs. Sterner, Miss Astle, Mr. Williams, and Miss McMaster.

RECORD BOOK COMMITTEE

For those of us who will have completed a formal education on the evening of June 16th, 1951, this class record will mean a great deal. For all of us it is the story in words and pictures of our school activities and of the graduating class. No matter what the future holds, we shall always treasure the memories of the years we spent at Frankford. Perhaps this Record Book will help us keep the memories clear and bright.

The Committee appreciates the co-operation and assistance of Dr. Sterner, the club sponsors, the photographer, and all others who graciously contributed to the success of the Record Book. Members of the Committee are Judith Wilson, Editor-in-Chief; Barbara Geier, Art Editor; Evelyn Elias, Mildred Gordon, Audrey Veith, Joan McAllister, Marianne Lynaugh, Ann High, John Seddon, Bob Platt, Bob Kimmelblatt, and Norman Pollock.

12B TRIP COMMITTEE

One of the most enjoyable events of the senior year was the Hudson River Trip on Friday, May 25. Everyone in the senior class looked forward to this exciting trip.

Early on the morning of the trip we boarded the train for Jersey City. At Jersey City we boarded the steamer "Alexander Hamilton." On the delightful boat trip we passed many famous places and enjoyed the very beautiful scenery. Besides enjoying the sights, we danced, ate, took pictures, and enjoyed ourselves in every way. We stopped at Indian Point Park for a few hours; then started on our journey back home. Everyone agreed that they had never spent a more enjoyable day in their lives.

The 12B Trip Committee and Dr. Sterner were responsible for making the senior trip a great success by their planning and by selling tickets. The members of the committee are Bob Gottschalk, chairman, Bill Benz, James Buckley, Etna Edwards, Howard Graham, James Kerr, Rose Lill, Shirley McKay, Doris Pendlebury, Charles Russo, Grace Smith, and Donald Williford.

SENIOR MORNING COMMITTEE

The coming of June 15, 1951 brought with it both smiles of delight and hearts filled with sorrow. This was the last day of the seventy-first class in Frankford High School. Each member of the class realized that soon he would have to go into the outer world, some to discard the scholar's cap and to face life with sleeves rolled up, while others were to go on to college and higher education. This was Senior Morning.

William Ward, president of our graduating class, made the traditional exchange of cap and gown with the president of the class of January, 1951.

This was followed by varied entertainment and the "A" play.

After the school day, we received our report cards and Record Books, and then went to the gym for our dance and some refreshments.

The members of the committee are chairman, Virginia Kees, David Linta, Marion Pinker, Bob Headly, Steve Fairheller, Neil Minkoff, Larry Detwiler, Marge Meyers, Barbara Reiman.

THE CURRICULUM

The faculty and facilities of Frankford enable it to offer over eight courses of study to its students, which makes it one of Philadelphia's best public high schools.

The academic course claims the largest enrollment. Many Frankford students go on to college, and the academic studies provided for them are numerous.

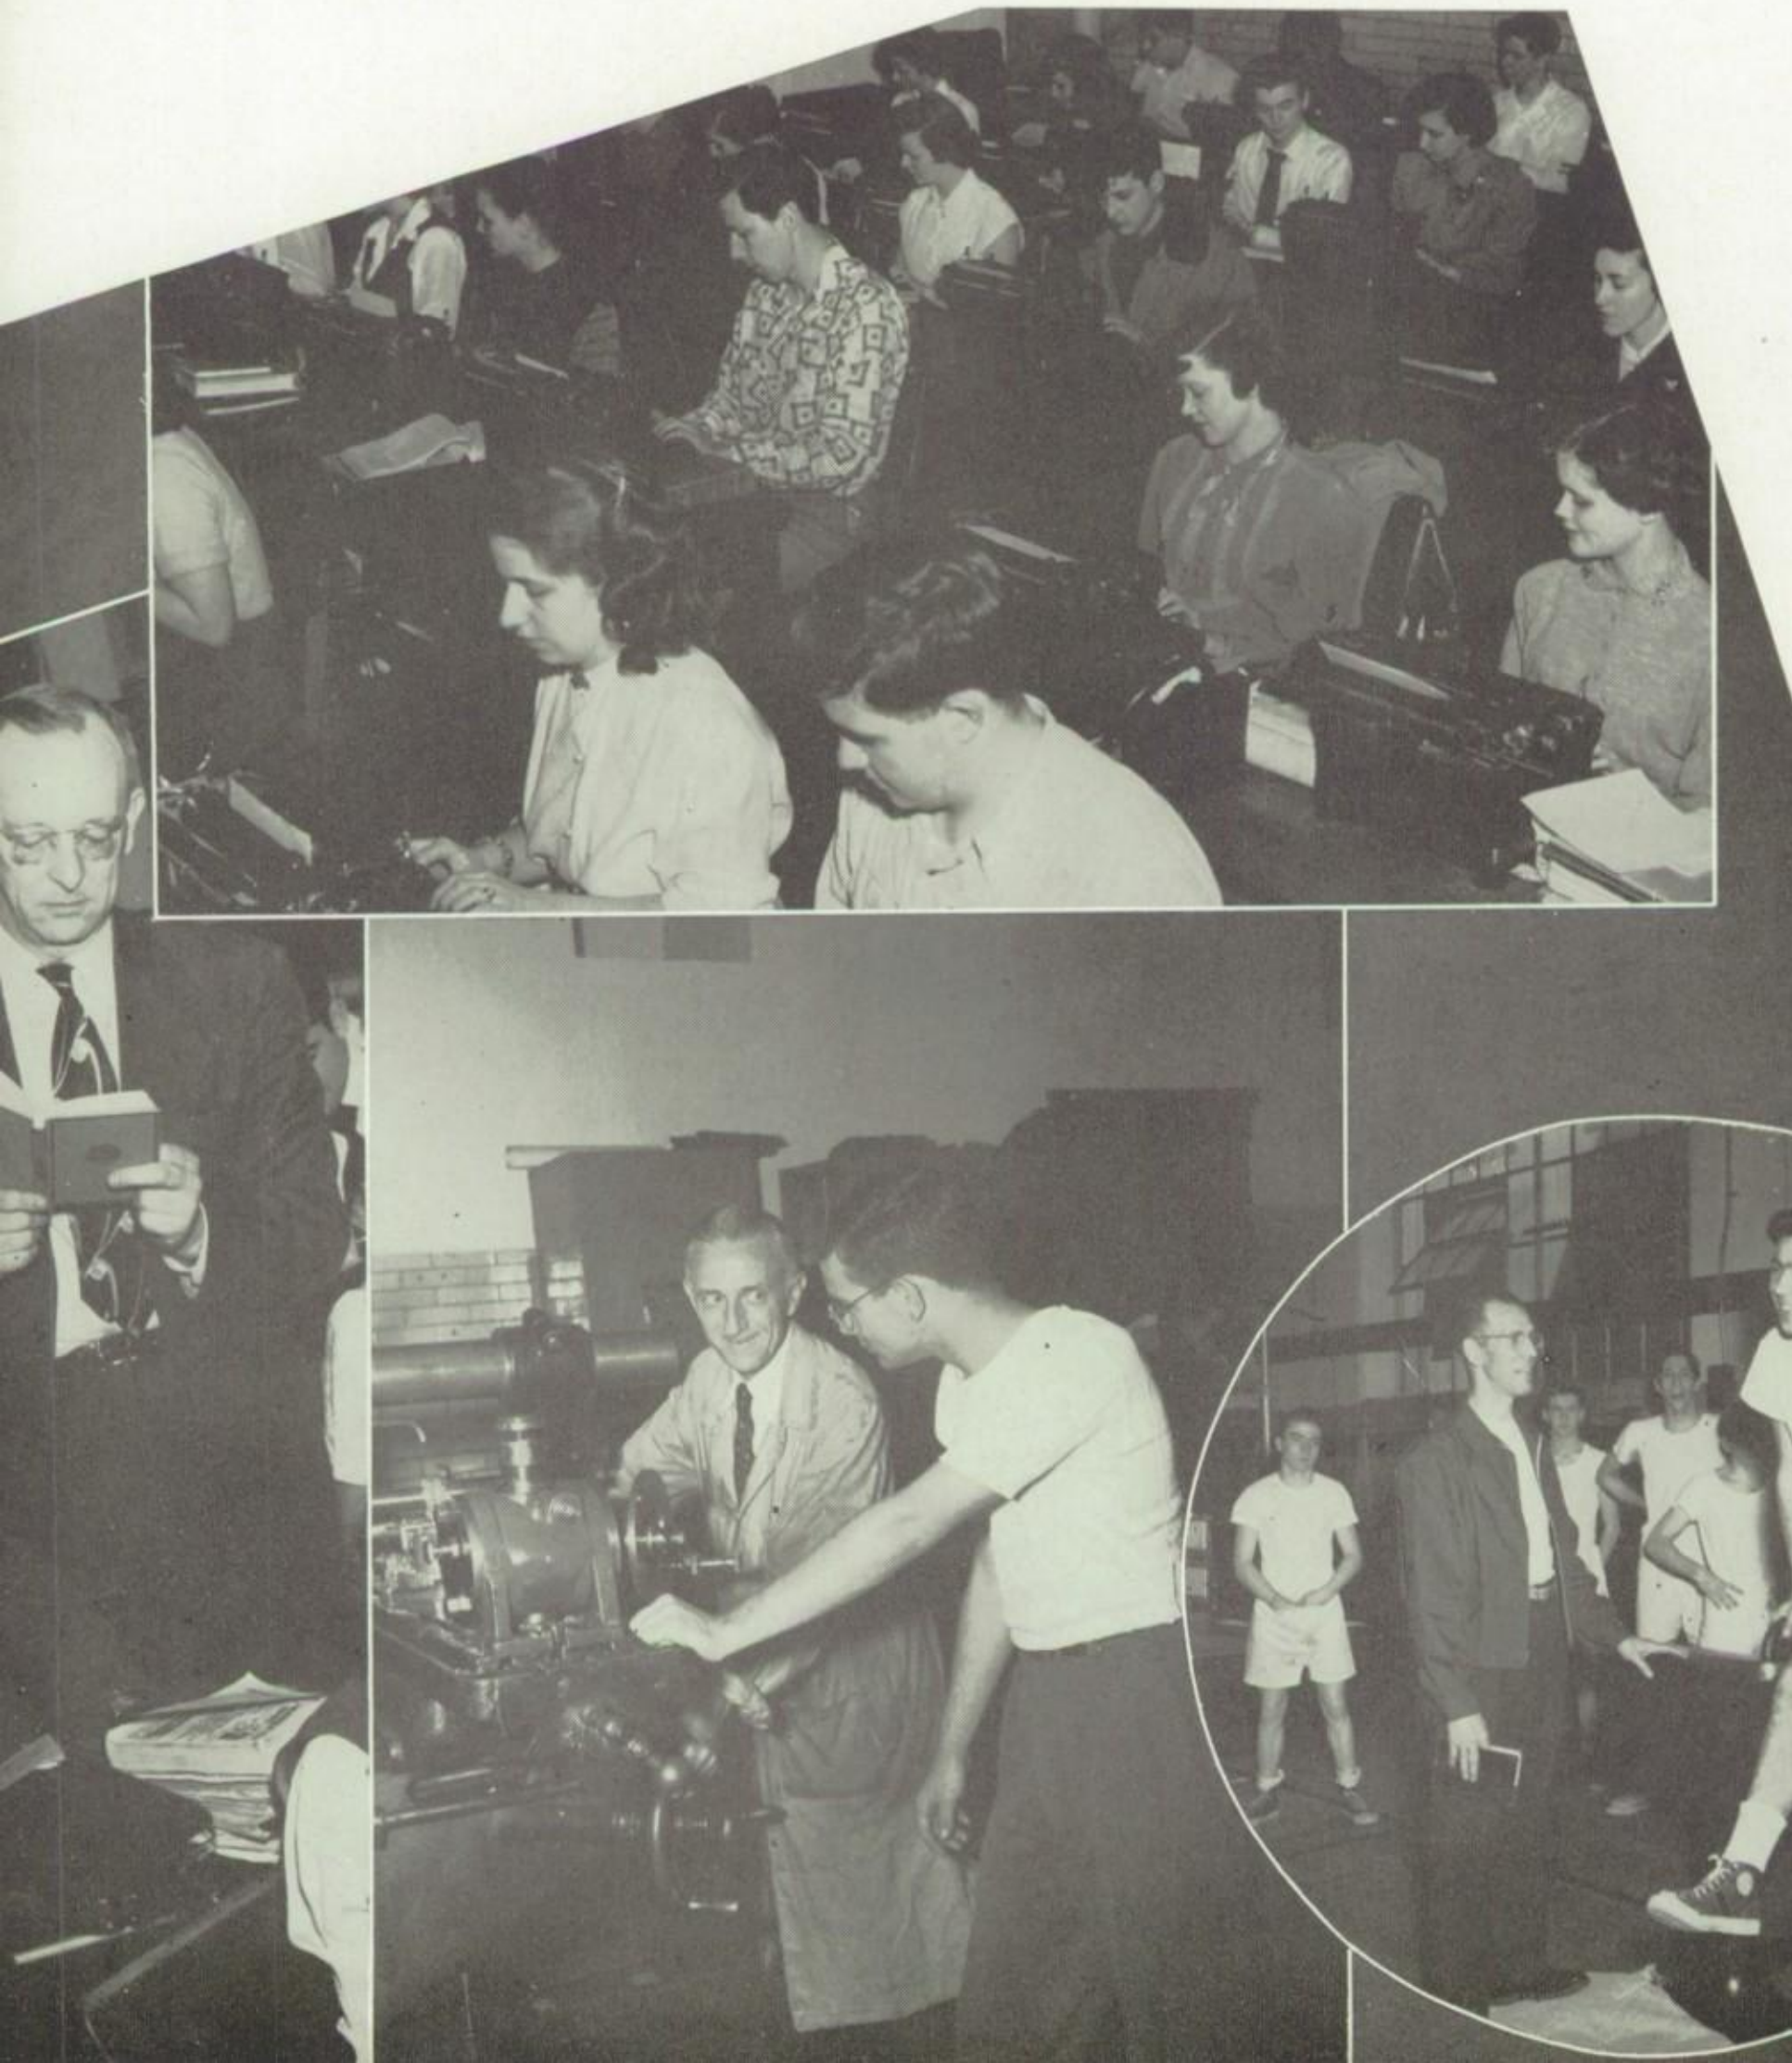
The commercial students have access to much equipment which enables them to prepare for employment after graduation in all phases of business work.

The Mechanic Arts course, which is also college preparatory, is very popular with the boys at Frankford. Also popular is the practical Industrial Arts course for boys interested in wood carving, ceramics, steel work, and pattern-making.

The equipment the Music department possesses is an important factor in permitting students from other school districts enter Frankford to pursue this course.

Home Economics and Vocational Art are also major courses, and here again specialized training is given to each student.

Requirements for graduation include three years of English, three years of physical and health education, two years of American History, one year of a science and senior chorus. Thirteen credits must have been earned by each graduating senior, nine of which must be in sequence.



Senior Prom

The lovely girls, the beautiful gowns, the excitement and happiness of everyone at our last Senior Prom will long remain in our memories. We had anxiously awaited our Prom, and when the evening of May 4 finally arrived, we danced from nine to twelve to the music of Chuck Gordon and his orchestra amidst the elegance and beauty of the Crystal Ballroom in the Benjamin Franklin Hotel. Our only regret about the evening was that it seemed to end too soon. Yet all of us agree that this only verifies the fact that our last Prom was our best Prom.

OUR DAY OF DAYS

Senior Trip Up The Hudson

May 25, 1951

As we boarded the train at Arrott and Large Streets at 8 o'clock A.M. Friday, May 25, the sun was partly hidden by a cloudy sky, and some of us thought that the weather would not be as perfect as we had all hoped. Slightly daunted, but still very excited, we found our seats and made ourselves comfortable for the first leg of our long awaited Senior Trip.

We arrived in Jersey City at approximately 9:45 and after boarding the good ship Alexander Hamilton we opened our bountiful lunches (although it was still mid-morning) and munched on sandwiches and fruit as we viewed the famous New York skyline and the spine-tingling, all-towering Statue of Liberty. By this time the sun was shining, and the sky was glorious with soft blue clouds.

Excitement surmounted all else, and all morning we moved constantly, taking pictures of ourselves and the famous skyline. Some of us just sat and observed the scenery; some of us danced to the music of the five man band provided for us; and others walked from deck to deck on unofficial inspection tours. We all had great fun.

We sailed up the Hudson and on one side of the historic river we followed the enormously long Palisades, and on the opposite side we followed the famous Riverside Drive and saw from our seats the expensive New York Apartment houses and the steeple of the beautiful Riverside Church. We passed under the Washington Bridge and were inspired by the stars and stripes flying over the Revolutionary War Fort Tryon. Then, too, we saw the Cloisters, a branch of the great Metropolitan

Art Museum. After Yonkers, most of us experienced our first view of the noted Sing-Sing prison. Further up the river, we saw the ivy covered walls of the United States Military Academy at West Point. We saw Bear Mountain.

After making a turn, we started back down the river to our destination—Indian Point and the amusement park located there. At approximately three o'clock we had docked and were given "shore leave" for two and a half hours.

At Indian Point we enjoyed not only the amusements and refreshments but the beautiful scenery. Tired and sun and wind burned we again boarded the ship Alexander Hamilton and headed back down the Hudson to the pier where we boarded the train which sped us home. On the train ride back, we laughed and sang and thought more than once that our prom was over, our trip was over, and before we would know it, in fact a few short weeks, our graduation would be over, and then we would no longer be boys and girls but men and women facing responsibilities in a competitive and somewhat bewildered world.

Our only regret was that our trip ended too soon, but all of us readily admitted seldom had we enjoyed a more wonderful day.

SENIORS

Dr. Lewis G. Sterne

During your final term in this school your teachers were busily engaged in a process of self-evaluation of themselves and of the school. The final statements of strength and weakness, of past accomplishment and future hope, may be important or unimportant; but the process has not been without significance. To sit down to think about oneself with ruthless honesty is onerous, disheartening, and even dangerous; it may be shattering to self-complacency or conducive to that self-deceit against which the apostle warns us.

I suggest that soon, while the glow of school life and graduation has not yet faded into the light of common day, you face yourself. Our judgments of you have been duly registered and in part, at least, made manifest to you. But the real you has probably eluded us. Make a mental if not a written trial balance; put down your assets without fear and do likewise with your liabilities. Resolve, then, to cancel debit with credit. Neither belittle your virtues nor excuse your vices. The first you can use with discretion; the second you can at least modify if you want to.

Self-evaluation may lead to the divine discontent which drove that same apostle forward until he had carried his case to the feet of Caesar himself.

FOOTBALL

Making up what they lacked in size with grit, determination, and spirit, last season's squad of gridders drove to a tie for the Public High Championship. The boys missed a chance to tie against North Catholic for city honors when Bok Vocational gained a 32 yard advantage in the hard-fought 0-0 deadlock at Shibe Park which determined the public high crown.

Starting off the season in high fashion, the team won their first three games without being scored upon. Dobbins tallied once on the Tri-Color, only after the Pioneers totaled 41 points. Frankford found Olney a little harder, but a last quarter T.D. brought home a win. Northeast went down before the Pioneers, 20-0. The upset of the year found an injury ridden Tri-Color eleven bowing 12-0 to an always tough Germantown team. The old jinx, North Catholic, which sported the Catholic Crown, just edged the Pioneers, 7-0, only after a great defensive stand held the boys on the one yard line.

Manning backfield positions were Charlie Bruno, Howard Graham, Ron Markloff, Ed Cooper, Ted Konowalczak, John Saponara, Bob Dudek, Ed Moore, Bill Gosnear, Carl Reimers, Ed Faunce, Jack Enders, and Warren Mann. On the line were Bill Smith, Dick Thatcher, Ron Rowe, and John and Ted Simone, Ted Falicki, Dick Woerner, Bill Graves, Bill Phillips, Gene Oscilowski, John Chalfont, Lou Tursi, Jim Mollenhauer, Harry Knodt, Jack Pfeiffer, Chuck Schalch, Ray Kumor, Russ Kelly, John Klingel, Walt Handel, and Bill Blatchley.

AS SOPHOMORES WE WATCHED FRANKFORD CAPTURE THE PUBLIC LEAGUE CROWN AND THEN TIE SOUTH CATHOLIC IN THE CITY CHAMPIONSHIP GAME. WE WERE DISAPPOINTED AS JUNIORS WHEN GRATZ NOSED OUT FRANKFORD FOR THE LEAGUE CROWN. IN OUR SENIOR YEAR WE WATCHED OUR GRID TEAM FIGHT ITS WAY TO A TIE WITH BOK AND BECOME CO-CHAMPIONS OF THE LEAGUE. ALL IN ALL, WE SAW SOME MIGHTY GOOD FOOTBALL IN OUR THREE YEARS HERE.

IF THE WONDERFUL COACHING IS KEPT UP, FRANKFORD CAN'T HELP BUT HAVE A GOOD TEAM. SO, BEFORE WE DEPART, MAY WE WISH FRANKFORD SUCCESS IN FUTURE YEARS, AND CHAMPIONSHIP GAMES.

THIS CALLS FOR STRATEGY

SOCCER

In the fall of 1950, Frankford High School's soccer squad had Mr. Theodore Doering at the helm. He replaced Mr. Frank Lightfoot, who had moved on to Lincoln High School. Although the varsity squad consisted of members of the previous year's successful junior varsity, the team had an unusually poor season in soccer. The Tri-colormen won only two games during the season, but four ties were added to the record. Had these games gone in favor of the Pioneers, the record would have been much improved.

One factor which led to the downfall of the booters was the loss of two key men, Walter Bandazian, and John Sowney, within the period of one week, due to injuries.

The boys who return next fall, along with members who will advance from the first junior varsity squad ever to triumph over a Northeast second team, will have a good chance of restoring Frankford in the top of the league standing.

Members of the June graduating class who were on the team were Russell Eltonhead, Gordon Griffith, Harry Nicholson, Bob Pilkington, John Seddon, Bohdan Senyk, and John Slover.

Although they finished the season with a somewhat dubious record of two wins and thirteen losses, the Pioneer hoopsters provided their home fans with plenty of thrills by last ditch rallies and close games. This record, however, does not tell the full story for Coach Doering's team. Injuries, bad luck, and sickness contributed heavily in turning what might have been at least a .500 season into a poor one.

Early in the season, the squad had height, several seasoned performers, and hopes. Injuries and other factors took their toll.

Although somewhat inexperienced at varsity ball, the others filled in when they had to; they player good ball even though unseasoned. Many of the games were close, and although Tri-Color was out-manned, it never stopped fighting.

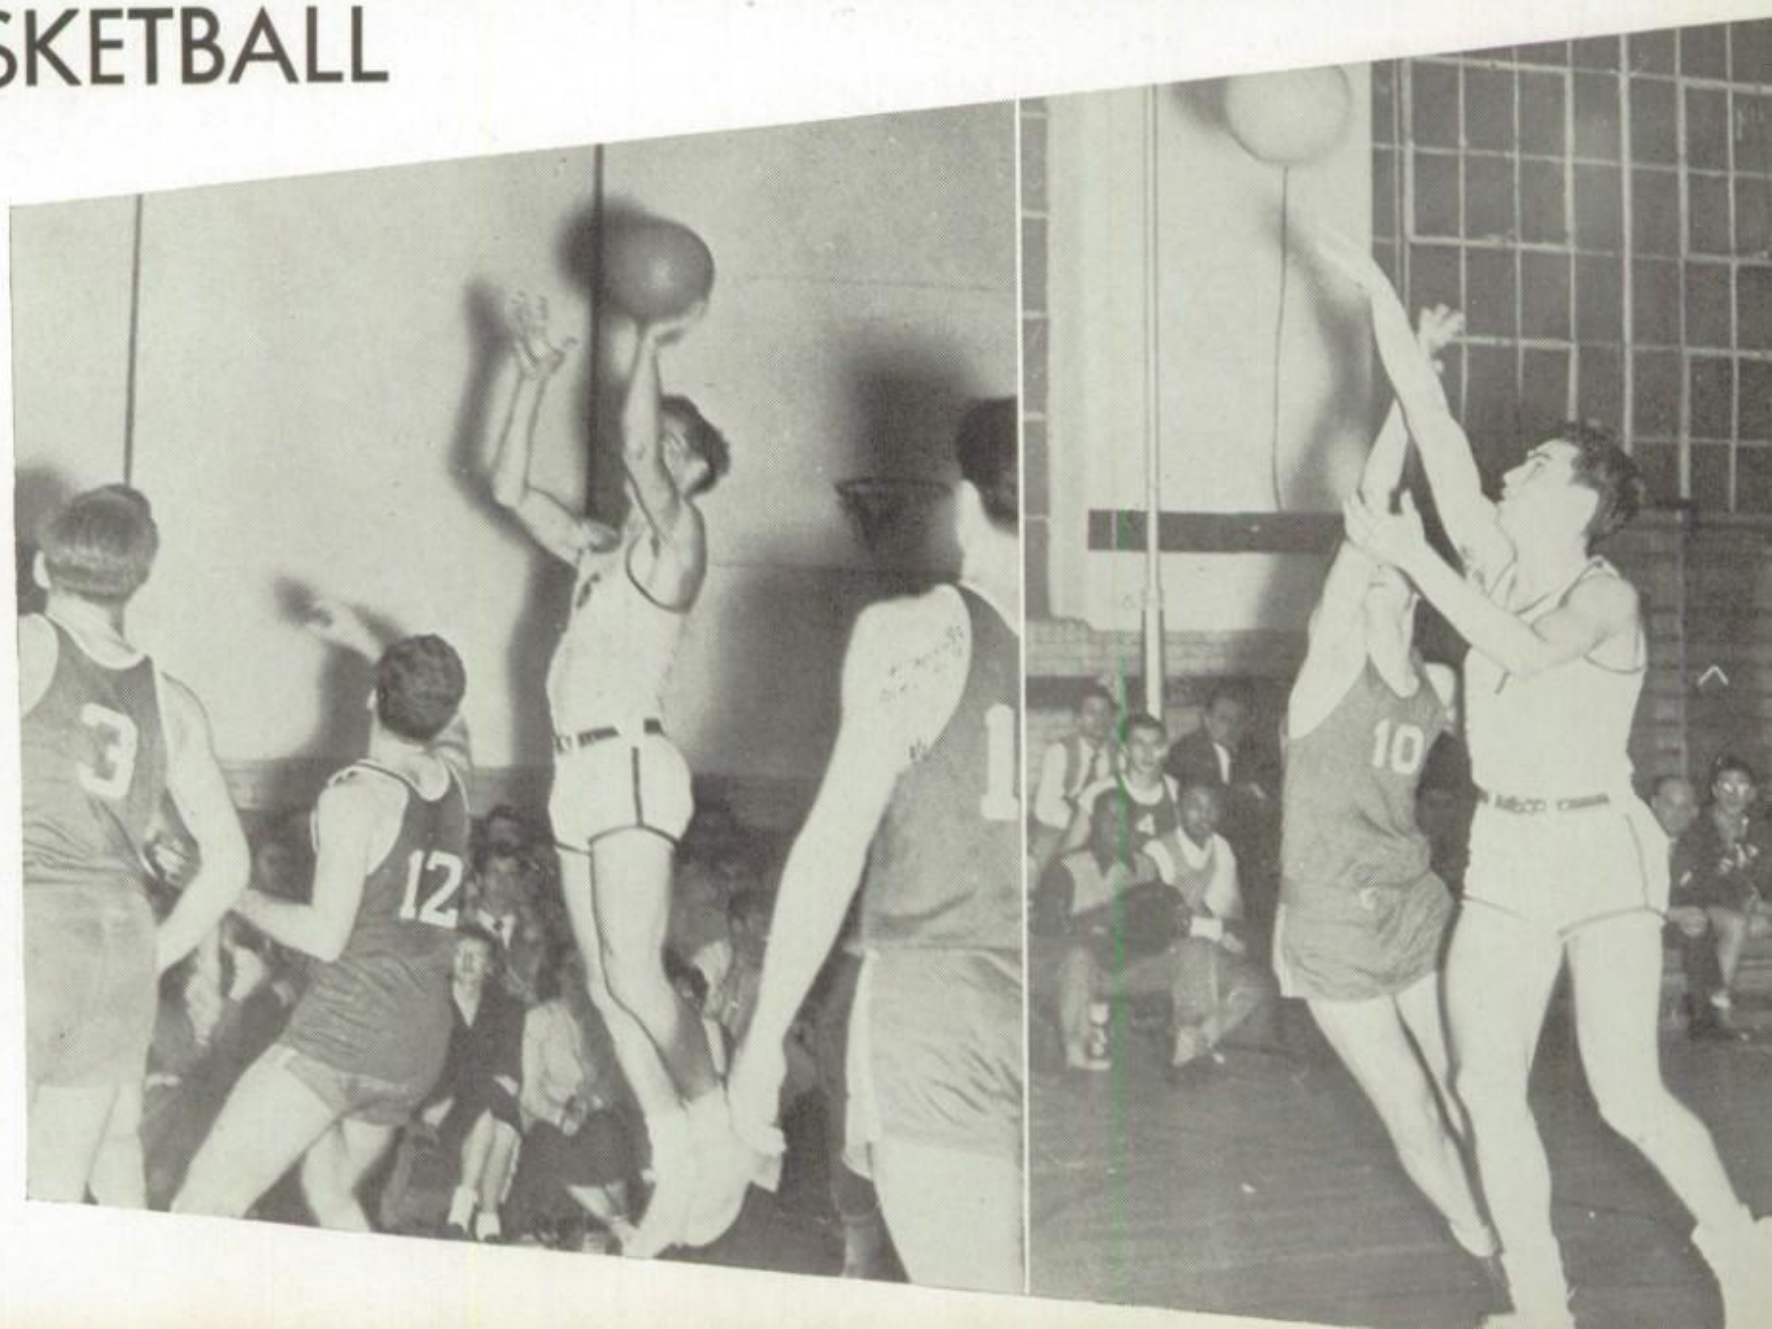
BASKETBALL



FENCING

In 1951 the fencing team, under the capable direction of Mr. Norman Day, captured the championship of the Public League. This was the first time since Frankford has been represented in the league that the Tri-colormen have won the title. Although there has always been a certain amount of interest for fencing at Frankford, it has been a long time since the Pioneers have been represented by so well balanced a squad.

Members of the graduating class who participated on the team were Gordon Griffith, Dick Olson, Al Lomas.

BASEBALL

This season's baseball squad gave Frankford fans some of the best ball playing seen at Baldwin Field for several years. Under the mentorship of Coach Bill Clausen, the diamondmen opened the season with five straight league wins, topped off with a 5-0 victory over very highly touted Olney. However the Pioneers dropped from first place when Germantown and Lincoln pulled upsets resulting from weak fielding.

Around the infield were Dick O'Neal, at first; Fred Dobisch, at second; John Petaccio, playing shortstop; and Charlie Russo holding down third. Frank Stackhouse filled in as a good sub. George Gerstle and Jim Keddie shared duties behind the plate.

John Purdy and Carl Herd patroled the outfield, with Charlie Samph used as a substitution. Holding the chief mound positions were Bill Dietrich and Ed Paluch. These two were assisted by Charley Ross, Bill Moyer, Al Smith, and Jack Pierson. Also seeing some work on the field were Frank Bauerle, Dave Ritchie, Ray Schreiner, Jim Caskey, Dick Storz, Charles Golcher, and Art Bishop.

TRACK

Excelling in two field events, and showing some fine work in several running events, the Pioneer track squad finished one of its better seasons supported by a top coaching staff of Mr. Charles Troxell, and Mr. Walter Nackoney. Faced with many inexperienced newcomers, these two did an excellent job in rounding out the team.

Undefeated in regular competition was the pole vault team that consisted of John McWilliams, Don Ferns, Lamont Guthrie, Bill Graves and Ron Vaughan. McWilliams remained undefeated in the individual pole vault. Bob McCallum kept up his undefeated work in the shot put as Public High Champion. Nat Lewis and Don Williford brought home several points in the high jump.

In the high hurdles, Don Williford and Jim Silcox were the most consistent winners. Dick Woerner was the top man in the low hurdles, registering some rapid times. Al Lomas, a veteran 440 runner, took several firsts in that event.

Norm Volksdorf, Frank Foedisch, and Frank Bupp contributed points in the distant runs, while Tom Wood completes the list of seniors who took part in the shot put.

HOCKEY

The girls' hockey team under the guidance of Mrs. Kay Gradick finished the season with three victories, two defeats, and one tied game. After winning the first game of the season on a forfeit from William Penn High, we beat Girls' High and Bok and fought to a deadlock with Roxborough. We had a practice game with Springfield and lost to Bartram and Olney.

Our season's traditional rival, Olney, fought against a surprisingly strong Frankford team and were unexpectedly scored upon for the first time this season. The final score was Olney 3, and Frankford 2.

The varsity line up with substitutions are Joan Davis, Ann Duld, Marilyn Strawbridge, Judy Surrick, Ann High, Adeline Hanley, Florence Olsky, Jackie Crolius, Barbara Reimann, Shirley McKay, Barbara Mayock, Rose Lill, Ester Woller, Carole Crowder, and Joan Hawkins, captain.

BASKETBALL

The basketballerinas sported a 6-3 record for their '50-'51 season. The teams downed were St. Huberts, Dobbins, Gratz, Bok, Wm. Penn, and South Philadelphia. Olney, Bartram, and Kensington put the pioneerette hoopsters on the short end. The season was officially closed with a jamboree at Bok.

Those who received varsity letters were Ann High, Marlene Northy, Marie Cicali, and Shirley McKay (captain), forwards; Barbara Reimann, Joan Davis, and Carole Crowder, guards.

Other team members were Marlyn Steele, Pat McInerney, Bea Beviglia, Emilie Del Prete, Janet Sharkey, Bea MacDonald, Unajane Borkert, Marion Zell, Marilyn Strawbridge, and Judy Surrick.

SWIMMING

The girls' swimming team, coached by Mrs. Jennie K. Leary, ended an excellent season, defeating all Public League contenders. After downing Haverford, 44-22; Lincoln, 41-22; Olney, 35-31; Bartram, 36-30; and Overbrook, 48-18, it went on to place second in the interscholastics, 8 points behind Little Flower.

This year's mermaids were Virginia Bauman, Marilyn Dixon, Joan Fox, Barbara Grossmiller, Gale McGlogh, Lois Miller, Ellen Nelson, co-captains Florence Olsky and Doris Seyfert, Barbara and Carol Preischl, Barbara Shoemaker, Shirley Trouts, Barbara Warburton, Carol Kernaghan, and Pat Smith.

Graduating seniors are the co-captains and manager Grace Genscha.

GIRLS' SOFTBALL

The girls' softball team for the season of 1951 was coached by Miss Janet Lever. The girls did very well this season in their tally of wins and losses.

The varsity lineup included Carol Bradt, Janice Coulter, Carol Eppler, Shirley McKay, Dot McKeever, Marlene Northy, Barbara Reimann, Mary Smith, Judy Surrick, Doris Walmsley, and Doris Weist.

The girls' softball squad practices at Baldwin field four afternoons each week. All home games are played at the field.

The graduating seniors on the squad this year include Janice Coulter, Betty Logan, Shirley McKay, Barbara Reimann, and Mary Smith.

THERE IS ACTION IN GIRLS' SOFTBALL.
